Navy Extends Early Transition Program for FY-06

The Navy is again offering Sailors whose active-duty obligated service (EAOS) ends before Oct. 1 the opportunity for early separation under another installment of the Early Transition Program.

Sailors interested in early transition must request a separation date no later than Aug. 15. All requests must be received by PERS-4832 not later than Aug. 1 through their commanding officers.

For the first time, Sailors who received an enlistment bonus may request a waiver of repayment for the portion of the bonus for active-duty time not served. Waiver requests must be made as outlined in NAVADMIN 022/06 or repayment will be automatic.

This voluntary program does not apply to selected reserve Sailors (including mobilized reservists), those Sailors under a selective reenlistment bonus or eligible for SRB reenlistment contract. Also ineligible for the early transition are those in the nuclear ratings, SEAL, SWCC, EOD, or Diver programs or who enlisted under the National Call to Service program.

For more information, refer to NAVADMIN 022/06, available at www.npc.navy.mil, or contact your Command Career Counselor.
